BOOK SYNOPSIS

Your no-nonsense guide to acing the Series 7 exam In order to become a stockbroker and sell securities, you must first pass the Series 7 exam—a 6-hour, 250-question monstrosity. Unlike many standardized tests, the Series 7 exam is harder than it seems, and people who score below 70% must retake the test, having to wait at least a month before retaking it and paying hefty registration fees. Luckily, theres Series 7 Exam For Dummies—the leading guide that not only shows you how to think like a financial advisor but also like the test designers. Rather than an all-encompassing, comprehensive textbook, this guide covers only whats on the test, offering formulas, tips, and basic info you need to study. Packed with tips for answering questions and taking the test, Series 7 Exam For Dummies continues to be the trusted reference for anyone looking to ace the exam and start their career. The test has gone through its first major overhaul in more than a decade, so in addition to updates required to keep the book in line with the latest exam, this new edition provides two completely new practice tests. Plus, youll find easily navigable content review covering everything youll encounter on test day. Presents straightforward information on complex concepts Covers every topic youll encounter on the exam Helps you understand difficult subject matter with confidence and ease Brimming with valuable information and know-how, this no-nonsense guide is your ticket to scoring high on the Series 7 exam.
