## BOOK SYNOPSIS

Were all looking for quick and easy solutions for getting dinner on the table, that dont sacrifice on taste or quality. Thats why the Mr. Food Test Kitchen has created a cookbook that features over 130+ recipes that are done in 30 minutes or less. Unlike other books that make the same claim, but then require additional prep and chilling times, our books wont let you down. When we say 30 minutes or less, we include everything from prep to plate. Imagine cooking up a comforting meatloaf, a satisfying skillet casserole, or a roasted chicken all within a half hour. Typically, youd expect these types of dishes to take hours, but weve figured out a way to reduce the time, so your family can enjoy these on any busy weeknight. One forkful of any of these recipes and youll understand what makes this cookbook so great - we cut the cooking time, but not the flavor! And since no meal is complete without dessert, you can bet that weve included lots of sweet treats that are also done in less time than it takes to watch the evening news. No sweet tooth will be able to resist our decadent cakes, praiseworthy pies, and bubblin hot cobblers. Of course, like all of the other books in our "Ultimate" cookbook series, every recipe features a full-page photo and easy-to-follow, step-by-step instructions. As a new addition, weve also included nutritional information to make meal planning easier than ever. It wont take long (30 minutes to be exact!) before youll be saying, "OOH ITS SO GOOD!!◆"
