BOOK SYNOPSIS

Nelson Education's market-leading Human Resource Management Series is the only opportunity that students and practitioners have to own a complete set of HRM books, standardized in presentation, that enables access to information quickly across many HRM disciplines. Recruitment and Selection in Canada provides a complete and thorough introduction to current recruitment and selection practices in a readable, non-technical style that minimizes scientific jargon and focuses on basic concepts. This text is designed to meet the needs of both students and practitioners working in human resources, and provides an up-to-date review of the current issues and methodologies that are used in recruiting and selecting employees for Canadian organizations.
