## BOOK SYNOPSIS

Thirty-year-old Celeste Hamiltons life is at a crossroads: she has just left a disastrous marriage, and her estranged mother has recently died, leaving the familys rose business in jeopardy. Reluctantly, Celeste returns to the family home, a moated manor house in Suffolk, to help her two younger sisters sort out the estate and revive the business. Having endured the fallout from her mothers narcissistic personality disorder when she was younger, Celeste is filled with self-doubt and crippling insecurities. But she must find the strength and courage to take charge and make some tough decisions to keep the old house from falling down around them. The Rose Girls is an uplifting, tender and romantic story of courage, perseverance and the healing power of family.
